

Counting Sheep Kyu Seok Oh

Photograph by Martyn Gallina-Jones

Spanning 36 feet and 12 feet wide, the installation is comprised of 24 uniquely made paper sheep sculptures on 6" to 16" high platforms. All of the sheep are hand-made by artist Kyu Seok Oh in a labor-intensive process involving natural and traditional materials. Soft, white, and standing together these sheep will invite the neon covered surrounding buildings and large excited crowds to relax, count sheep, and doze off a little.
